Privacy statement

We are committed to safeguarding the privacy of our website visitors; this policy sets out how we will treat your personal information.

Our website uses cookies. By using our website and agreeing to this policy, you consent to our use of cookies in accordance with the terms of this policy.

(1) Credit

This document was created using an [SEO Legal](#) template.

(2) What information do we collect?

We may collect, store and use the following kinds of personal information:

- (a) information about your computer and about your visits to and use of this website (including your IP address, geographical location, browser type and version, operating system, referral source, length of visit, page views, and website navigation);
- (b) information relating to any transactions carried out between you and us on or in relation to this website, including information relating to any purchases you make of our goods;
- (c) information that you provide to us for the purpose of registering with us;
- (d) information that you provide to us for the purpose of subscribing to our website services, email notifications and/or newsletters;
- (e) any other information that you choose to send to us;

(3) Cookies

A cookie is a file containing an identifier (a string of letters and numbers) that is sent by a web server to a web browser, and stored by the browser. The identifier is then sent back to the server each time the browser requests a page from the server. This enables the web server to identify and track the web browser.

We use both "session" cookies and "persistent" cookies on the website. Session cookies will be deleted from your computer when you close your browser. Persistent cookies will remain stored on your computer until deleted, or until they reach a specified expiry date.

We will use the session cookies to: keep track of you whilst you navigate the website; keep track of items in your shopping basket; prevent fraud and to increase website security. We will use the persistent cookies to: enable our website to recognise you when you visit; keep track of your preferences in relation to the use of our website; and keep your products in your basket for a certain number of days.

We use Google Analytics to analyse the use of this website. Google Analytics generates statistical and other information about website use by means of cookies, which are stored on users' computers. The information generated relating to our website is used to create reports about the use of the website. Google will store this information. Google's privacy policy is available at: <http://www.google.com/privacypolicy.html>.

Most browsers allow you to reject all cookies, whilst some browsers allow you to reject just third party cookies. For example, in Internet Explorer you can refuse all cookies by clicking "Tools", "Internet Options", "Privacy", and selecting "Block all cookies" using the sliding selector. Blocking all cookies will, however, have a negative impact upon the usability of many websites, including this one.

Except as provided in this privacy policy, we will not provide your information to third parties.

(6) Security of your personal information

We will take reasonable technical and organisational precautions to prevent the loss, misuse or alteration of your personal information.
